Report Filing Criteria

The City Revitalization and Improvement Zone (CRIZ) program was established by Act 52 of 2013 and amended by Act 84 of 2016. A CRIZ is an area of up to 130 acres, comprised of parcels designated by a contracting authority, which will provide economic development and job creation within a political subdivision. State and local taxes collected within the CRIZ will be used to repay debt service to stimulate economic development projects within the CRIZ.

Pennsylvania law requires all businesses within a CRIZ to complete this report annually by June 15, identifying the type and amount of certain taxes remitted to the commonwealth during the previous calendar year, so the Department of Revenue may certify state taxes to be transferred to the CRIZ Fund established for the redevelopment projects in each CRIZ.

Failure to timely file a complete report postmarked by June 15 may result in the imposition of a penalty of the lesser of \$1,000 or 10 percent of all eligible state taxes payable by the business for activities in the CRIZ during the year for which a complete report was not timely submitted.

Qualified Business

- Any entity that conducts business, provides services and is located or partially located within the borders of the CRIZ.
- Any construction contractors engaged in construction, including infrastructure or site preparation, reconstruction or renovation of a facility located in or partially in the CRIZ.

Tax Payments

- Payments are defined as state taxes paid by qualified businesses to the Department of Revenue via ACH debit, ACH credit, credit card, debit card, certified check, cashier's check and paper check in the calendar year for which the report is filed.
- Payments do not include carry-over credits, restricted tax credits or tax liabilities due as a result of filing a tax return without payment.

Help and Assistance

All questions concerning this report should be directed to 717-772-3896 or ra-bftrevkoz@pa.gov

Accessing the CRIZ Report Application

The CRIZ Reporting application is accessible from April 1 to the June 15 annually at www.revenue.pa.gov/CRIZ by selecting CRIZ Electronic State Tax Report link

Department of Revenue > Tax Information > Incentives, Credits & Programs > City Revitalization & Improvement Zone

CITY REVITALIZATION AND IMPROVEMENT ZONE

The City Revitalization and Improvement Zone (CRIZ) program was established by Act 52 of 2013 and amended under Act 84 of 2016 to spur new growth in cities that have struggled to attract development, helping to revive downtowns and create jobs for the residents in the regions. A CRIZ is an area of up to 130 acres, comprised of parcels designated by an authority to capture state and local taxes for the purpose of improvement and development in the designated CRIZ zone.

The program is similar to a tax incremental financing program. It is structured to protect the existing state and local tax base, while providing incremental funding for tax revenues based on new growth generated over and above an established baseline per business and new tax revenue generated in the zone by new businesses.

All qualified businesses, including construction contractors, within a CRIZ must complete annual state and local tax reports by June 15 each year so the Department of Revenue and local tax authority may certify the amount of taxes to be transferred to the CRIZ Fund. [The state tax report is available through the June 15 filing deadline by clicking here.](#)

Qualified businesses that fail to timely submit complete CRIZ tax reports will be subject to a non-filing penalty of the lesser of 10 percent of taxes attributed to the CRIZ or \$1,000 for each late or non-filed report during the previous calendar year. Taxes paid by a contractor or qualified business that failed to timely submit a complete CRIZ tax report will not be included in the amount transferred to the CRIZ Fund.

Page Fields:

Section A: Property Factor

1. *Within the CRIZ* – The average value of the taxpayer’s real and tangible personal property owned and used in the CRIZ plus eight times the rental rate for real and tangible personal property rented and used in the CRIZ.
2. *Within PA* – The average value of the taxpayer’s real and tangible personal property owned and used in PA plus eight times the rental rate for real and tangible personal property rented and used in PA. If the taxpayer uses three-factor apportionment in calculating its capital stock/foreign franchise tax or corporate net income tax, this amount will be the property reported inside PA on Table 1 of the Tables Supporting Determination of Apportionment Percentage, form RCT-106.

Section B: Payroll Factor

3. *Within the CRIZ* – Total compensation paid in the CRIZ. Compensation is considered paid in the CRIZ under all of the following scenarios:
 - The person's service is performed entirely within the CRIZ ;
 - The person's service is performed within and outside the CRIZ , but the service performed outside the CRIZ is incidental to the service performed within the CRIZ; and
 - Some of the service is performed in the CRIZ, and the base of operations is in the CRIZ.
 - If there is no base of operations, compensation is paid in the CRIZ if the place from which the service is directed or controlled is in the CRIZ.
 - If the place from which the service is directed or controlled is not in a location in which the employee's work is performed, compensation is paid in the CRIZ if the employee's residence is within the CRIZ.
4. *Within PA* – All compensation paid in PA. If the taxpayer uses three-factor apportionment in calculating its capital stock/foreign franchise tax or corporate net income tax, this amount will be the payroll reported inside PA on Table 2 of the Tables Supporting Determination of Apportionment Percentage, form RCT-106.

Section C: Sales Factor

5. *Within the CRIZ* – Total sales in the CRIZ during the tax period. Sales of tangible personal property are considered in the CRIZ if the property is delivered or shipped to a purchaser that takes possession within the CRIZ, regardless of the FOB point or other conditions of the sale. Sales, other than sales of tangible personal property, are in the CRIZ if:
 - The income-producing activity is performed in the CRIZ ; or
 - The income-producing activity is performed within and outside the CRIZ, and a greater proportion of the income-producing activity is performed in the CRIZ than in any other location, based on costs of performance.
6. *Within PA* – All sales sourced to locations inside PA. This includes all sales destined to locations inside PA plus sales of goods picked-up by customers in the CRIZ, either in their own vehicles or by common carriers arranged for by the customers and transported to locations outside the commonwealth. Since the sourcing of sales picked-up in the CRIZ and transported outside the commonwealth is different for the calculation of the credit than the rules for sourcing these sales in the calculation of the three-factor apportionment, this may not equal the sales reported inside PA on Table 3 of the Tables Supporting Determination of Apportionment Percentage, form RCT-106.

Section D: Total Apportionment: Add the three factors from Sections A, B and C.

Section E: Calculation of Tax Percentage: Divide the Total Apportionment by 3.

Section F: CRIZ Tax Liability: Enter the Total Tax Payments remitted to the department during the calendar year. This section will auto-calculate the CRIZ Tax Liability.

Part III: State Tax Remittance Statement

Businesses that remit Sales, Use and Hotel Occupancy tax, Employer Withholding, Liquor or Malt Beverage Tax charged by a brewer or distillery on the sale of liquor, wine, or malt or brewed beverages in the zone must complete this statement.

Page Fields:

1. Volume Chart: Each field in the volume chart permits a business to report the volume of malt or brewed beverages purchased for resale in the zone for auto-calculation of taxes paid on the volume amounts per field.
2. Invoice Documentation: Restaurants and Bars are required to document the invoices and receipts used to determine the sales tax paid on the volumes of malt or brewed beverages purchased for resale in the zone. Total cost and sales tax is auto-calculated on the statement.
 - Invoice or Receipt Number: Found at the top or bottom of the actual invoice or receipt received during the sales transaction with the beer distributor.
 - Date of Invoice or Receipt: Found at the top or bottom of the actual invoice or receipt received during the sales transaction with the beer distributor.
 - Purchase Price: Found by calculating the purchase price of each malt or brewed beverage item on the receipt or invoice.
 - ❖ Do not include non-malt or brewed beverage items such as Taps, Ice, Snacks, Cups, and Freight etc.
 - Total Sales and Use Tax Paid: Found by calculating the purchase price of each malt or brewed beverage item by the malt or brewed beverage tax formula found on the report.
 - ❖ Do not include sales tax paid from non-malt or brewed beverage items such as Taps, Ice, Snacks, Cups, and Freight etc.

After completing each set of fields per invoice, click on the Save and Add Button. This will create a sub-chart on the page with the invoices.

Warning: *If this page will be completed in parts based on timing constraints, you will be required to click on the continue button, prior to exiting the report. If you fail to click on the continue button, the information will not be saved upon returning to the report.*

CRIZ Instructions	<i>NOTE: These calculations only apply if liquor is purchased by a restaurant or bar from a Pennsylvania wine and spirits store outside of the zone.</i>
NIZ Instructions	While 6 percent sales tax is reflected on wine and liquor purchases as a separate line item on each receipt, the 18 percent state liquor tax is built into the shelf price of wine and spirits and is not broken out separately. Therefore, a formula must be applied to liquor purchases in order to determine liquor tax attributable to the CRIZ.
CRIZ Report Guide	Liquor/Wine Excise Tax Formula: total cost of liquor/wine purchased outside the CRIZ (including sales tax) multiplied by 0.1439.
NIZ Report Guide	To determine total sales tax on all wine/liquor purchases made outside the CRIZ, a business in the CRIZ may either add all the sales tax line-items from each liquor/wine receipt or employ the following:
Log Off	Liquor/Wine Sales Tax Formula: total cost of liquor/wine purchased outside the CRIZ multiplied by 0.0566. <i>NOTE: the multipliers above do not match the 18 percent liquor tax and 6 percent sales tax rates exactly, because mathematical adjustments are required to ensure each tax - the former built into the shelf price, the latter added at the register - is accounted for separately and accurately based on total purchase price.</i>
