

Street Cleaning Street Sweeping and Snow Removal

DPW - Dedicated to Your Quality of Life

Street Cleaning after a Snowfall

- To make non-snow emergency routes passable after snow emergency is lifted
- Clean Streets for passage
- Liberating parking spaces quickly after snow emergency

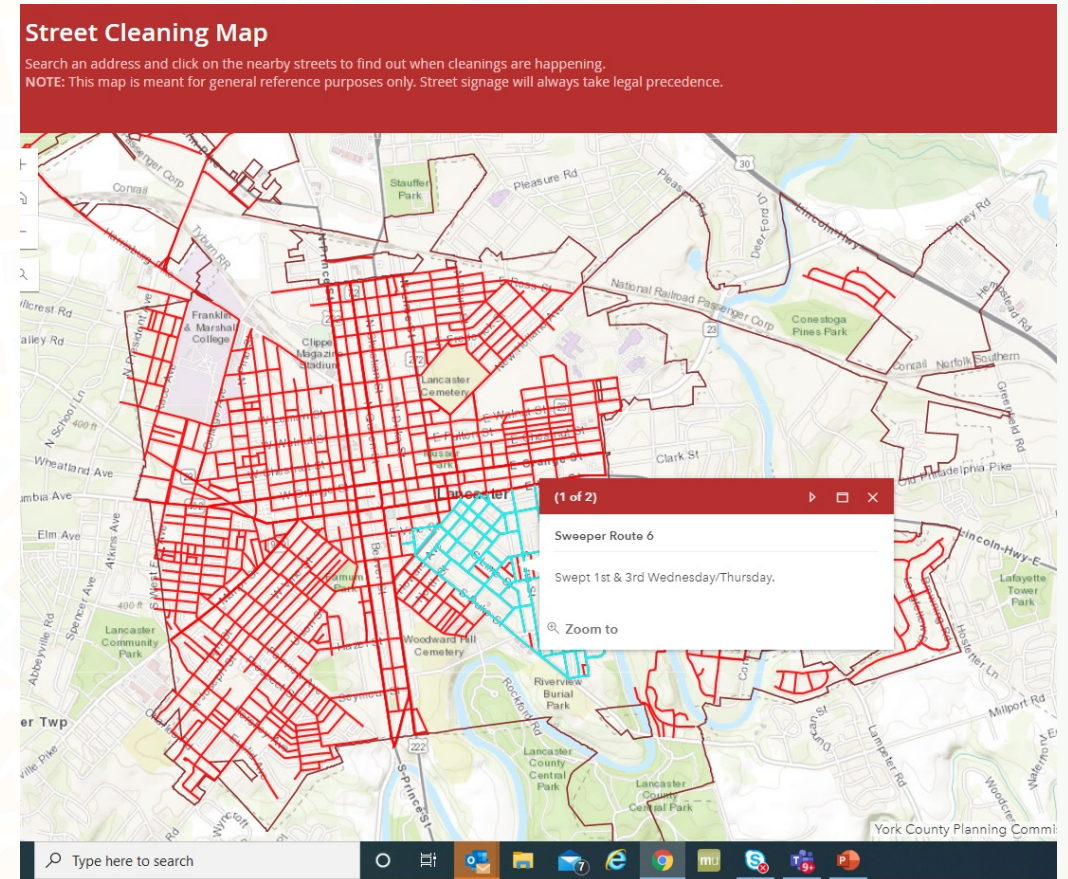

When do Street Cleaning regulations go into effect after a Snow Emergency?

- Commencing at the hour declared by the Mayor that the snow emergency regulations are no longer in effect:
- All parking restrictions regarding Street Cleaning referenced in Article 9 of Chapter 285 of the Code of the City of Lancaster, shall be reinstituted and be in full force and effect to assure that the City may clean and clear all such streets of snow including areas on such streets designated for parking.”

Street Cleaning Days as Snow Clearance for Parking Lanes

- Utilize street cleaning days as parking lane clearing days
- 1/8 of city gets parking lanes cleared each day
- Your street's parking lanes get cleared no more than 8 weekdays after the snow emergency
- Ongoing snow removal continues throughout the city

Make every effort to move your car.

CITY OF
LANCASTER

PUBLIC WORKS

Opposite side of street parking for street cleaning repealed

No longer permitted

“On streets on which parking is restricted to only one side thereof, vehicles may be parked on the prohibited side of the street at times when it is necessary in order to permit the parking side of such street to be cleaned.

However, after the street has been cleaned, all vehicles thereon shall be reparked on the parking side of the street in such manner as not to block traffic on such street and in any event no later than 3:30 p.m. on the day the street is swept.”

If Street Maintenance is Required

- WHEN THE CITY NEEDS THE FULL WINDOW, WE WILL PUT UP TEMPORARY SIGNAGE TO THAT EFFECT. (as per 285-93 – Notice of Sweeping Areas)
- The City will *make every effort* to post at least 48 hours in advance. However, signage might NOT go up 24 hours in advance, as it is notification that we will use the entire window of time already granted us by ordinance
- Includes signage for utility work, tree pruning, etc.
- Public shall be aware of the times indicated on the notice

Challenges

- Where to Park?
 - Just as with Street Cleaning, once the parking lane is cleared you can park in the parking lane
- Parking Authority Facilities
 - At height of January 2021 snowstorm, there were still 1190 spaces available in the LPA – overall at 2/3 capacity
