What is the City Revitalization & Improvement Zone (CRIZ)?

Created by a state law in 2013, the City Revitalization & Improvement Zone (CRIZ) is a special district that encourages development and revitalization in certain sized communities across the Commonwealth. Lancaster is one of two cities to receive the first designations. The CRIZ consists of approximately 130 acres in downtown Lancaster and in selected areas in the remaining parts of the city. Under the law, certain state and local tax revenues generated by new and existing businesses within the CRIZ, as well as contractors working on CRIZ-financed projects, can be used to pay debt on bonds and loans that are issued for qualifying capital improvements in the zone. The baseline year is the year the zone was approved. Lancaster's baseline year is 2013.

The CRIZ is overseen and managed by the Lancaster City Revitalization and Improvement Zone Authority. The Authority meets each month. For more information, including meeting details, visit the CRIZ Authority website here: <http://cityoflanasterpa.com/government/criz-authority>

To see if your business is in the CRIZ, go to the Authority's link below:
<https://www.cityoflanasterpa.com/investment-incentives-tax-credits-and-financing/criz/>

Click on the CRIZ map and then type in the street address.

Why was the CRIZ created?

The Commonwealth created the CRIZ to spur the revitalization of communities like the City of Lancaster by capturing certain state and local taxes and channeling those taxes back to the local municipality to help finance redevelopment and new construction opportunities.

As a business and/or property owner located in the CRIZ, your business activity will contribute toward your community's growth simply by filing the required annual, confidential reports to state and local officials to ensure that eligible taxes are captured and redirected back to Lancaster. Over time, areas included in the CRIZ are expected to see further redevelopment which translates into additional jobs, reduced vacancies, more foot traffic for businesses and improved safety and cleanliness.

The CRIZ program is a long-term investment by the Commonwealth, the City, its businesses and property owners in the economic health of Lancaster.

CRIZ Benefits to Lancaster:

- New commerce, increased tourism, new companies
- New jobs
- A strengthened, more collaborative and dynamic community
- A range of housing options
- A distinctive, attractive, and vibrant downtown and neighborhood commercial hubs
- Smart growth that encourages multiple land uses while preserving open space and historic buildings

CRIZ Benefits to Your Business:

- Opportunity to finance small scale projects to improve or expand your business if it is located within the CRIZ
- Increased investor confidence in the city
- Expected property value increase if you own property in the city
- Improved safety & streetscapes
- Increased foot traffic with:
 - More visitors and tourists visiting the city
 - New or expanded hotels, restaurants, retail
 - More people working in the CRIZ that could patronize your business

CRIZ Reporting - what do I have to do?

Business owners and contractors doing business in the CRIZ will not incur any additional taxes as a result of the CRIZ. However, under the CRIZ law, you are required to report the taxes your business already pays and reports to state and local agencies. Please begin completing your CRIZ reporting forms well in advance of the deadline.

WHAT

Reporting is on a CASH BASIS...meaning, you report what your business has **actually paid** from January 1, 2024 through December 31, 2024, regardless of what tax year it's for. You must complete and file all forms for 2024 to be received by the Pennsylvania Department of Revenue (DOR) and the City of Lancaster (COL) on or before **June 15, 2025**. Please begin reporting efforts well before the deadline noted above and maintain evidence of timely filing. Assistance is available—see page 9.

City Revitalization & Improvement Zone (CRIZ) Frequently Asked Questions

1 What is the CRIZ?

The CRIZ is the City Revitalization and Improvement Zone that was created through State Legislation—Act 52 of 2013, (P.L. 270, No. 52 of July 9, 2013) most recently amended by Act 84 of 2024 (P.L. 526, No. 84 of July 13, 2024)—as a tool for city revitalization.

2 What are the purpose and benefits of the CRIZ?

The purpose of the CRIZ is to create a financing mechanism that will support the continued economic growth in the downtown and neighborhood commercial hubs. CRIZ benefits include:

- Helping businesses remain competitive or increase competitiveness.
- Increase property values in the city by repurposing underutilized or vacant properties.
- Businesses can indirectly benefit from public improvements in the zone that improve pedestrian safety and increase parking.
- Retail and restaurant businesses will benefit from increased visitors and customers from new business locating in the zone and expansion of hospitality industry expansion.
- Businesses will benefit from a vibrant downtown and commercial hubs where residents can live, work, shop and enjoy what the City has to offer.
- Redevelopment opportunities will create expanded job opportunities for city residents and attract a diverse population of new residents that will provide increased business traffic.

3 Who controls the CRIZ?

The CRIZ is managed by the Lancaster CRIZ Authority, which is an independent authority of the Commonwealth that was created to manage the revitalization efforts in the CRIZ. It's comprised of a Board of Directors who makes all governance decisions. The CRIZ board meets each month. For more information, including meeting details, visit the CRIZ Authority website here: <http://cityoflanasterpa.com/government/criz-authority>

4 How is the CRIZ funded?

The CRIZ is funded using selected State and Local CRIZ attributable taxes that are credited to the CRIZ fund. The CRIZ Authority then allocates these resources through their project guidelines to assist in financing economic development efforts. The CRIZ attributable taxes are not new taxes imposed on a property owner or business. CRIZ attributable taxes are taxes already paid to the Commonwealth and the City that are returned to the CRIZ Authority to be used for economic development purposes.

5 How long will the CRIZ last? Is there a time limit on the CRIZ or will my business always be in the CRIZ?

The CRIZ legislation allows for the zone to be in existence for up to 30 years, or when the purpose of its creation is fulfilled or the bonds retired.

Frequently Asked Questions

18 Where can I download the PA Department of Revenue State CRIZ Report?

Electronic filing and instructions will be available from April 1 to June 15, 2025 at:
<https://www.eservices.revenue.pa.gov/NizCriz/Keystone/Session/Login>

The Department of Revenue has recently adopted the Keystone Login account management system for access to the State CRIZ report. The e-TIDES system, previously used to access the annual CRIZ report, has been discontinued for CRIZ report filing. If you have not yet created a Keystone Login ID, you will need to register for a login prior to submitting your CRIZ report this year. Once you have filed and before logging off, be sure to print a confirmation of your state filing for your records.

19 Where can I download the Local CRIZ Report?

The Local CRIZ Report can be downloaded from the City of Lancaster website here:
<https://www.cityoflanasterpa.com/investment-incentives-tax-credits-and-financing/criz/>

20 How does my procedure for paying each of the taxes change?

It doesn't. You will continue paying your State and Local taxes as you always have in the past. The CRIZ program only requires that you file an additional report documenting the state and local taxes you have paid with the State and City by June 15 of each year on the forms they provide.

21 Will this mean I need to do more accounting? And can my accountant do this for me?

No, this does not mean more accounting. Your business will just need to use your existing information to report on the State and Local CRIZ tax reporting forms. Remember, reporting is on a **CASH BASIS**, so you'll need records of payments made or refunds received in 2024 regardless of what year they relate to. Your accountant can do this for you, however, there is no need to incur additional costs for this reporting. We have hired the team at FourScore to help you complete the forms for FREE. Please contact them directly for assistance at lanastercrizcompliance@four-score.com or 484-951-1289.

22 This looks like it's going to take a lot of time. How long is this going to take?

Depending on your businesses complexity the reporting could take as little as five minutes or a bit more time to gather your records of payment of the selected taxes and fill out the forms. The team at Four Score can help you with this process to minimize the amount of time you need to spend on this.

23 Do people who live in the CRIZ have to do this, too?

No. Individuals that **are not** sole proprietors or **are** residential tenants are not required to file. The Lancaster CRIZ captures business entity reporting, including sole proprietor or building owner taxes.
